You are never forgotten.

The Crosby family would like to thank the members of the Rattler-Firebird Association for all their support in assisting us during the past six months. They provided first-hand untold stories of Herby, provided moral support during our grieving along with making us laugh with joy, arranged for discounted rooms at the hotel for family and friends, and over-all, have become a part of our family that we never knew existed prior to notification of Herby's repatriation.

We are truly blessed to have these friends and comrades come into our lives. We are proud of you all for your service to our country, and your sincere concern for your brothers and their families.

Thank you, the family of Captain Herbert C. Crosby
